Home on the Range - Show #130 [74:00m]: [Hide Player](#) | [Play in Popup](#) | [Download](#)

This week on [Animal Talk Naturally](#) brings new guest **Will Harris** of [White Oak Pastures](#). White Oak Pastures has been in Will's family for many generations. They have moved back to raising their cows naturally on the farm, range-fed, and humanely cared for. All their dogs are naturally reared also. We're going to be talking with Will about what brought them back to nature, why, and how is it different or better for the animals AND humans. Here is this week's synopsis:
